Preferred Risk Administrators (PRA), and their partner First Stop Health, LLC, a Telemedicine company, are pleased to offer you an EASY way to earn extra money. PRA offers a unique Telemedicine Service, which is typically available to only employer groups. We can now offer this on an individual basis.

This unique program offers 24/7 access to a physician 365 days a year with **NO COPAY** and **NO DEDUCTIBLE**. For only \$110 per year an individual and up to seven additional family members in the household, have unlimited access!

One of the hottest products on the market, Telemedicine allows health care professionals to evaluate, diagnose and treat patients via phone or video consultation. It's a product that will continue to get great press, as it's being raved about by all who have used it. And it's so simple you don't even need a health background, or extensive knowledge of Health insurance to sell it.
